

Ultra-thin, flexible washi masking tape for razor-sharp, flat paint lines

Application areas

- Protects the covered surface from paints, primers, sealants, etc.
- optimal for painting and varnishing work - helps achieve sharp color edges
 - ideal for use with primers and undercoat applications
 - for precise masking of joint edges
 - especially suitable for painters, joint specialists, handicraft etc.

Product benefits

- ensures precise color edges and prevents paint and varnish seepage at edges and transitions
- the special impregnation of Washi paper ensures increased wet strength
- easy to unwind and comfortable to work with
- fiber-reinforced
- good temperature stability until 90 °C
- good UV resistance until 3 months
- residue-free removable (until 3 months in the outdoor area)
- for indoor and outdoor use

Base

Tape: impregnated washi rice paper (golden yellow)
Adhesive: acrylate dispersion

Tape thickness

ca. 0.09 mm

Bond strength

medium

Temperature resistance

for a short time up to +90 °C

UV resistance

max. 3 months

Colour

golden yellow

Standard stock dimensions

Item no.	Width	Packing unit	MOQ*
AB 6019.48	19 mm	48 rolls x 50 m = 2400 m	12 rolls
AB 6025.36	25 mm	36 rolls x 50 m = 2400 m	9 rolls
AB 6030.32	30 mm	32 rolls x 50 m = 2400 m	8 rolls
AB 6038.24	38 mm	24 rolls x 50 m = 2400 m	6 rolls
AB 6050.24	50 mm	24 rolls x 50 m = 2400 m	6 rolls

*MOQ = minimum order quantity (1 shrink pack)

Shelf life

In closed original packaging, protected from direct sunlight, stored in a dry place between +15 °C and +25 °C and optimum humidity between 40 % and 60 %, the official shelf life is at least 24 months from date of production.

Observe: All information is based on careful examinations in the labs and our previous practical experience. They are non-committal notes. Due to the many materials that are marketed and the different processing methods, which we cannot influence, we can, of course, not assume any warranty, including under patent-law, for the result of your work. We recommend performing sufficient own tests to find out if the product meets the respective requirements. In addition, we refer to our terms and conditions of sale, delivery and payment, available at www.wisabax.ch/agb.html. © Wisabax AG - This technical data sheet replaces all older versions.
